QUALITY

100% Made in Italy

Dare nuova vita alle superfici. Questo facciamo in Italia, nella nostra storica sede da oltre 50 anni.

ENG
Giving a new life to surfaces. This is what we do, since more than 50 years, at our historical site.

ERA
L'innovation dans le domaine des surfaces décoratives est notre métier depuis plus de 50 ans sur notre site historique dans la province de Trévise en Italie.

DEU
Den Oberflächen ein neues Leben geben. Das machen wir in Italien, in unserem Stammsitz bei Bassano del Grappa seit mehr als 50 Jahren.

Oltre 50.000 mq. coperti di produzione tutta in ITALIA

Over 50.000 m² of covered flooring for production all MADE IN ITALY
Plus de 50.000 m² de surfaces convertées dédiées à la production MADE IN ITALY

Pannelli MOVE

Pannelli realizzati su misura con supporto accoppiato a tranciato o a laminato. Con l'utilizzo di particolari tecnologie le superfici vengono impresse ottenendo vari tipi di texture identificate con delle lettere alfabetiche.

SUPPORTO

preferibilmente MDF, ma anche altri come truciolare o multistrato, nelle versioni standard, idrorepellente o ignifugo.

SPESSORI

da 1,2 mm a 80 mm (anche oltre se richiesto).

DIMENSIONI

- Massima dimensione 2570x1300 mm senza supporto
- Dimensione ottimale 2440x1220 mm con supporto

(Solo per MOVE: C / CHAIN / F / LOFT / TABIÀ / XX)

- Massima dimensione 3050x1225 mm senza supporto
- Dimensione ottimale 3050x1220 mm con supporto

ENG

MOVE PANELS

Panels made to size laminating textured veneer or melamine on core support.

SUBSTRATES

preferably MDF but other alternatives are suitable as chipboard or plywood on versions standard waterproof or fire resistant.

AVAILABLE THICKNESS

from 12 mm to 80 mm and over if required.

DIMENSIONS

- Maximum dimensions 2750x1300 mm without support
- Optimal dimensions 2440x1220 mm with support

(Only for MOVE: C / CHAIN / F / LOFT / TABIÀ / XX)

- Maximum dimensions 3050x1225 mm without support
- Optimal dimensions 3050x1220 mm with support

ERA

PANNEAUX MOVE

Panneau bois réalisé su mesure avec un support recouvert d'un placage bois ou mélaminé.

SUPPORTS

pour la plus-part en M.D.F mais selon la demande aussi agglomérés ou multi-plis standard ou hydro résistant ou hydrofuges.

EPAISSEURS

de 12 mm à 80 mm ou plus épais si nécessaire.

DIMENSIONS

- Maximal 2570x1300 mm sans support
- Format idéal de 2440x1220 mm avec support.

(Seulement pour le MOVE: C / CHAIN / F / LOFT / TABIÀ / XX)

- Maximal 3050x1225 mm sans support
- Format idéal de 3050x1220 mm avec support.

DEU

PLATTEN MOVE

Platten auf Maß geschnitten und mit Furnier oder Laminat verleimt.

TRÄGERPLATTE

vorzugsweise MDF aber auch andere Materialien wie Spanplatte oder Multiplex möglich in den Ausführungen Standard wasserabweisend oder feuerfest.

STÄRKEN

von 12 mm bis 80 mm standardmäßig möglich Sonderstärken auf Anfrage

Maximalmaß

- Maximal 2570x1300 mm ohne Trägermaterial
- Optimalmaß 2440x1220 mm mit Trägermaterial.

(Nur für MOVE: C / CHAIN / F / LOFT / TABIÀ / XX)

- Maximal 3050x1225 mm ohne Trägermaterial
- Optimalmaß 3050x1220 mm mit Trägermaterial.

Pannelli NATHWOOD

Superfici innovative ad effetto naturale con grande enfasi sulla tridimensionalità e l'effetto vintage, realizzati con supporto accoppiato a tranciato.

Spessori: da 1,2 mm a 80 mm, ma anche oltre se richiesto.
Dimensioni massime: 2570x1300 mm,
con un formato ottimale di 2440x1220 mm.

NATHWOOD Panels

Innovative surfaces, with natural look, that emphasize the three-dimensionality and the vintage appearance. Made laminating veneer on core support.

Thicknesses: from 1,2 mm to 80 mm and over if required.

Maximum dimensions: 2570x1300 mm, with an ideal format of 2440x1220 mm.

Panneaux NATHWOOD

Surfaces innovantes réalisées en placages structures pour un aspect naturel et vintage, appliqués sur un support.

Epaisseur 1.2 mm jusqu'à 80mm

Dimension max: 2570x1300
avec mesure standard 2440x1220

Platten NATHWOOD

Innovative Oberflächen mit natürlichem Aussehen, die durch 3-D- + Vintage Effekte hervorstechen.

Trägerplatte mit geprägtem Furnier, Stärken von 1,2 bis 80mm standardmäßig möglich, Sonderstärken auf Anfrage.

*Maximalmaß = 2570 x 1300 mm,
Optimalmaß = 2440 x 1220 mm*

Pannelli METALWOOD

Fogli di alluminio intervallati a cartelle di legno massiccio o in mdf, conferiscono un tocco di eleganza ed esclusività al pannello in 3 o 5 strati.

METALWOOD Panels

Aluminum foils combined with solid wood layers, new vision of aesthetic and stability to the multilayer panel.

Panneaux METALWOOD

Feuilles d'aluminium combinés avec des plis en bois massif, donnent une nouvelle vision de l'esthétique et de la stabilité aux panneaux multiplis.

Platten METALWOOD

Aus alternierend verleimten Holz oder MDF Schichten mit Aluminiumflächen erzeugt und interpretiert die bekannten 3 oder 5 Schichtplatten mit neuer Eleganz.

Pannelli STRUCTUR

La finitura "structur" mette in forte risalto la matericità del legno, nonché vi dona un sapore vintage e raffinato, da alternare a soluzioni e materiali moderni.

STRUCTUR Panels

This is a special finishing that antiquates the wood and highlights its structure. Applied on solid wood panels it emphasizes the feeling of real wood, and gives it a refined and vintage feature, to be combined with modern settings and materials.

Panneaux STRUCTUR

Une finition particulière qui imite le vieillissement du bois et met en évidence sa structure. Appliquée aux panneaux massifs, elle va souligner tous les éléments et les particularités du bois comme le grain, le veinage, les noeuds... et va lui assurer un aspect vintage raffiné qui pourra être intégré à des solutions et matériaux contemporains.

Platten STRUCTUR

Die Oberfläche „Struktur“ betont außerordentlich den natürlichen Verlauf der Holztextur, außerdem gibt sie dem Holz eine spezielle Note. In Kombination mit modernen, glatten Oberflächen ergibt sich ein geschmackvolles Gesamtbild.

TAMBURATI e ALLEGGERITI

Per una vasta gamma di impieghi su mensole, tavoli e top mobili, grazie alla disponibilità di spessori fino a 100 mm. Tutto realizzato su specifiche richieste del cliente.

HOLLOW-CORE and LIGHTWEIGHT Panels

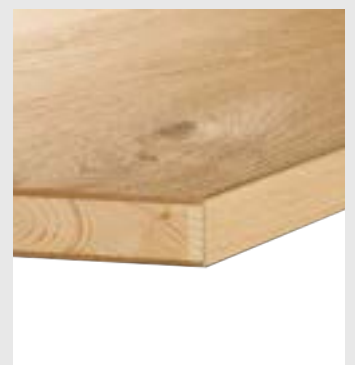

Used for shelving, tab/es and worktops etc. thickness can be up to 100 mm. Everything is made according to customer's request and specification.

Panneaux LEGERSET ALVEOLARES

Nos travaux s'adaptent à toutes /es typologies de formes, entre lignes classiques et modernes, droites ou galbées. Éléments post-formés avec chants ou en bois massifs.

LEICHTBAUPLATTEN

Für ein breites Anwendungsfeld für Platten bis 100mm für Tische, Möbel und Sonderanfertigungen. Alles nach Kundenwunsch gefertigt.
